

BILIKIKI

NIUSLETTA

WELCOME TO THE LATEST EDITION OF BILIKIKI ENIUS

- Winner of Bilikiki Cruises Video Contest
- New Photo Contest
- New 10 Night Departures in 2009
- Loloma Foundation Medical Volunteers

WOW! We are impressed! So many of you sent in great videos that you made our job of picking a winner extremely difficult, to say the least.

We even called in outside help to help narrow it down. In the end the prize of 7 nights on either MV Bilikiki or MV Spirit of Solomons goes to Treasure in Solomon Islands, for it's originality and good natured humour. You can view this winning video and all the other fantastic submissions at <http://www.bilikiki.com/videogallery.php>

Now we are going to give all you still photographers a chance. The rules are the same: simply upload your slide shows to YouTube and be sure to use key words Bilikiki Cruises and Solomon Islands. Next go to our web site video gallery and send us your submission. We will review it and provide a link back to YouTube so everyone can enjoy it. The contest is open until Dec 31, 2008 and

shortly after that we will announce the winner of a 7 night trip for one person on either Bilikiki or Spirit of Solomons. Prize is to be used within 12 months of being awarded. We are looking forward to seeing all your great photos.

New 10 night departures in 2009

With so many new flights from both Nadi, Fiji, and Brisbane, Australia to Solomon Islands we are very pleased to be able to once again offer our very popular 10 night departures. These departures will be in addition to our 7, 9, 12 and 14 night charters and therefore provide our guests a wide range of options to choose from. The new dates will work with flights to and from Nadi and Brisbane with no overnights required in Honiara. Check our web site departures page for available dates.

Loloma Foundation Volunteers Provide Medical Assistance

In May of this year doctors and other personnel in conjunction with Loloma Foundation chartered MV Spirit of Solomons in order to provide medical assistance at hospitals and clinics in Solomon Islands. Over the course of 10 days they saw over 4000 patients and dispensed over 2000 toothbrushes and toothpaste and 3500 pairs of reading glasses and sunglasses, as well as utilising and donating a 40ft container full of medical supplies and equipment. Our crew and staff were proud to help in any way they could, and we want to thank the great people at Loloma Foundation for their unselfish efforts. To get a small glimpse into what they accomplished you can view a short slide show at <http://www.youtube.com/watch?v=FY6Tbczysus> or by clicking on the link on our video gallery web page.

Our photos this edition are courtesy of Beo Brockhausen and Kirsten Clahr. Thanks guys!
